THE FEATURE in the stock market during the past week was the sud-
den drop in Waiialua shares. Immediately following the meeting which was
held on February 28, at which time the authorization for the issuance of
\$1,000,000 of bonds on the plantation, a portion of which was to be floated at this
time to relieve the agents, Castle and Cooke, for a large overdraft which they
held, the stock began to decline. It had been anticipated by sugar buyers for
several weeks previous to the meeting that Waiialua would bond and immedi-
ately start paying dividends. The bond issue was authorized but no dividends were
forthcoming and nothing definite was stated at the meeting when the dividends
would begin.

This is the principal cause for the weakening of the stock. It is the belief
of the present buyers that Waiialua will pay a dividend not later than July 1
of the present year. The shares fell in price from 123 to sales on yesterday's
Exchange at 118. The stock is weak at that figure.
Several hundred shares of Ewa were sold at 28, the quotation at the close
of business yesterday being 28 asked, 27½ bid; 80 is bid for Hawaiian Commercial
and Sugar Company shares; 320 is asked for Hawaiian Agricultural. Some
sales of Hawaiian Agricultural were reported at 310. Hawaiian Sugar sold read-
ily at 42½, closing on yesterday's Exchange at 42 bid, 43 asked. There were no
quotations on Honokaa during the week. Haiku was 20 asked. Kona Sugar
Company shares were offered as low as 60. There is a street rumor to the ef-
fect that negotiations are under way for the transfer of the present agency,
and the prosecution of extensive improvements on this estate. Oahu Sugar
Company shares sold yesterday at 161, the closing quotations yesterday being 160½
bid and 161 asked. Honolulu was 165 bid with no sales. Kahuku was 26 bid and
27 asked. Kipahulu was 110 asked; Koloa 115 asked; Onomea 29 bid.

There was considerable activity in Oahu during the week, the stock rising
from 18 to sales at 18½, closing yesterday at 18½ asked. At the meeting of the
directors held during the week a very favorable report was rendered, the plan-
tation now having a credit balance. It is very probable that the plantation will
start a regular monthly dividend of 1 per cent beginning the last of April. Pe-
peekeo was 180 asked; Pioneer Mill 116 bid, 118 asked. There were several sales
at 117½ during the week which were not reported. Waimanalo was 160 bid.
Among the assessables Kihel plantation caused the most excitement. The
shares are now \$47.50 paid in on a par value of \$50. The opening quotation at
the beginning of the week was at 13½. The stock fell for several days until on
Thursday it had reached 10. It revived again, strong, and was quoted yester-
day at 12½, the paid up selling at 13½.

Oahu assessable was transferred at 4½ and 4¾, the closing quotations being
5 asked. McBryde assessable sold at 8 and closed yesterday at 8¼.
Among the mercantile stocks a small block of Brewer and Company stock
was transferred at 413 per share. The Honolulu Stock Exchange has added to
its mercantile stock list the N. S. Sachs Dry Goods Company and the L. J. K.
Kerr Dry Goods Company. The Sachs stock is quoted at 100 on a par value of 100
and the Kerr shares at 55 on a par value of 50. The Wilder Steamship Com-
pany shares are held at 105; Inter-Island shares 115; Rapid Transit at 80. Oahu
Railway shares are not to be bid; 100 is bid for the stock on the new capital-
ization of \$4,000,000, which is equivalent to 200 on the old capitalization of \$2,000,-
000. People's Ice shares are 80 bid. First National Bank 110 asked; First Amer-
ican Savings Bank 105 asked.

Among the bonds the only advance during the week was in Oahu Railway
bonds, which sold at 102; Government 6 per cents at par; 101 asked for Hilo Rail-
way bonds; 101 bid for Ewa; 101 asked for Rapid Transit bonds.

Edict is Received.

LONDON, Feb. 24.—A dispatch from Pe-
king dated February 23 says: "The
court's edict was received today and com-
municated to the Ministers. It fully
complies with the punishments originally
demanded except in the cases of Chao
Shu Chaio and Ying Nien, who are con-
demned to suicide. The executions have
been ordered for February 24."

Denounces King's Oath.

LONDON, Feb. 23.—Cardinal Vaughan
has issued a declaration against the an-
ti-Catholic oath taken by King Edward
on the occasion of his accession to the
throne, and with the hope of repairing
and cancelling the injuries thus com-
mitted against the "divine majesty." He

directs that a general communion of re-
paration shall be celebrated in every
Catholic church within his jurisdiction
on the second Sunday of Lent, and that
in future the words "in reparation" shall
be prefixed and read before the divine
praises recited after benediction.

AN HONEST MEDICINE FOR LA GRIPPE.

George W. Walcott of South Gardiner,
Me., says: "I have had the worst
cough, cold, chills and grip and have
taken lots of trash of no account but
profit to the vendor. Chamberlain's
Cough Remedy is the only thing that
has done any good whatever. I have
used one bottle of it and the chills,
cold and grip have all left me. I con-
gratulate the manufacturers of an hon-
